

# Competency development

## COLLABORATE

Work together  
in groups

Negotiating and engaging with  
roles & responsibilities, pooling  
information & resources

## COMMUNICATE

Meaningfully &  
respectfully

Using verbal and non-verbal  
ways to understand, articulate  
and empathise

## CREATIVELY SOLVE PROBLEMS

In new &  
innovative ways  
using knowledge  
from the CAPS

Coming up with many ideas  
that are different and possible  
to implement

## THINK CRITICALLY

Ask questions  
and challenge  
opinions

Asking questions and  
evaluating information to  
identify patterns
